### THIS WEBSITE USES COOKIES

---

We use cookies and similar technologies of our own to ensure access, operation, and improvement of the service through the features provided and user experience and are not used for profiling. For some of the Cookies, we may need your consent, in accordance with the information below.

### WHAT ARE COOKIES?

---

Cookies are files containing small pieces of information that are stored and downloaded on your device every time you visit a Website (and usually have a unique identifier).

Some Cookies will only be triggered if certain features are used and/or with your consent, while others will always be generated and used (permanent cookies). Permanent Cookies may also be stored in the browser on your access equipment, which are used whenever you visit the Website again (and provided that they are defined as necessary for the correct use of the Platform), as well as temporary session Cookies that remain in the Cookies file of your browser until you leave the Website.

You can find out more about the Cookies we use from the list below, which is updated according to your Cookie preferences and respective consents. Cookies may not contain any information that personally identifies a user, but personal data that we store about you may be linked to the information stored in and obtained from cookies.

### WHAT COOKIES DO WE USE?

---

You can find out more and give your consent by clicking on the corresponding Cookie headers. Please note that blocking certain types of Cookies and similar technologies may impact the browsing experience on the Website and the services provided.

The cookies used on our website are grouped into the following categories:
